Route 85 approaches Marsaxlokk from the south and does not serve the harbour but terminates at the Xerriex stop. The Xerriex terminus is 200 metres inland from the harbour (walk along the street called St Andrija). ALL buses back to Valletta leave from the Xerriex stop (to avoid the walk catch the incoming 81 at the Marsaxlokk stop by the harbour to go round to the terminus if you don't mind the bus waiting for time there, but note that only route 81 does this, not route 85 - see timings below). ALL buses back to Valletta are route 81 from Xerriex. It's complicated! For additional non-stop service from Valletta to Marsaxlokk and back on Sundays in summer see route TD10.

Alight at the Neolitici stop for the Tarxien Temples (on the one-way system). To return to Valletta use the Antrnin stop, just north of where the one-way system starts (next stop northbound after Brittanja).
